CLEANSE WITH BENEFITS

Face

- Roll a small amount of Antioxidant Renewal Serum over the cheeks & forehead and massage into the face.
- Apply morning & night after cleansing, any moisturizers/gel-based products should be applied over this serum.
- An SPF is recommended to be applied daily.
- Use the Antioxidant Renewal Serum for 1 month and then return to your provider for professional exfoliation and receive your next month of product.

Repeat on other side of face.

Eye

- Roll the Eye Replenishing serum in circular motions around the eye and gently massage into skin.
- Apply morning & night after cleansing, any eye cream should be applied over this serum.
- Use the Soothing Eye Masks to energize and hydrate under eyes.
 - You will use your 1st eye mask: _____
 - You will use your 2nd eye mask: _____
- Use for 1 month then return to your provider for professional exfoliation and receive your next month of product.

Lip

- Roll the Lip Revitalizing serum over the upper and lower lip and allow to dry, then apply the SPF 30 lip balm.
- Apply serum morning & night, lip balm should be taken with you during the day and reapplied as much as possible.
- Lipstick can be applied over this.
- Continue to use the Lip Revitalizing serum for 1 month and then return to your provider for professional exfoliation and receive your next month of product.
